

An Adventure Game by
Mike Woodroffe and
Brian Howarth

AMSTRAD
WITH GRAPHICS
Cassette £9.95

Actual screen from Spectrum version.

Actual screen from Spectrum version.

The city of Tak, at the northern end of the Inland Sea, is the greatest den of thieves, pirates and cut-throats that the civilized world has ever seen. In this city of scum, there are many pirates infamous for this ruthless greed, their daring raids and their countless skirmishes with death. One of these villains is YOU!

Commodore 64, Amstrad and Spectrum versions feature spectacular full colour graphics.
BBC and Electron versions are text only and do not have graphics.
